We've Made a Move!

IMPORTANT ANNOUNCEMENT

After 28 years of building both Personal & Business relationships in my Real Estate Career, I have arrived at a Natural Progression. I am very excited to announce a Strategic Alliance with Mike Van Nerum at Century 21 Queenswood Realty located at 2558 Sinclair Road, in Cadboro Bay Village. Mike and I have known each other for many years. Over the years, I have developed great respect for his Business Ethics and practices. He has a very successful Real Estate Business, happily helping clients reach their goals. Mike is a good family man and along with his wife, Cindy, have lived in Victoria for many years. Mike is well known, trusted and liked by many people. Murray, my husband, and family plus Mike's wife and his family are all delighted to see Mike and I work together. Mike will head up the Alliance. Linda Hogg, my dear friend and long time Business Administrator will move with me to our new office at Queenswood Realty.

I have enjoyed my long association with D. F. H. Real Estate Ltd. and I am grateful for the support & friendships built up over nearly 24 years.

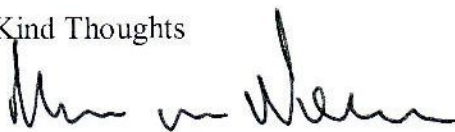

I am confident this segway will establish a new level of service for all of you: friends, family and clients. I look forward to serving you and I am grateful for your referrals. Mike and I will be just delighted to hear from you and assist you with your current and future real estate needs.

We will be in touch with you in the New Year and want to Wish You All a Very Merry Christmas, Healthy, Happy and Prosperous New Year.

Remember the Reason for the Season!

Many Blessings

Kind Thoughts
